HICE brings discipline to contracts management

By Arnis Zelcs on July, 2026

HICE was created to bring structure, control and senior-level contract management discipline into contract execution.

Currently we cover scope of all major FIDIC family contracts – Green Book, White Book, Red Book, Yellow Book, Silver Book, Gold Book. Soon we will launch NEC section. Then – HICE will look forward to partner with Anthropic to enhance contracts management discipline on global scale.

See our editions and materials for more information.
